SPECIALIST CARPET & FLOORING CONTRACTORS

NEWBURY HOSPITAL - BERKSHIRE

Over 8000m² of flooring was fitted on the new West Berkshire Community Hospital in Newbury a £16.8 million PFI project with Jarvis PLC completed in January 2004.

2000m² of Burmatex Tivoli Carpet Tiles were fitted to Offices, 6000m² of Marley flooring was fitted consisting of Marley Eclipse to Reception, Communal areas, Wards and Corridors featuring dolphin and border designs, Marley Elite SD to Operating Theatres, Dentistry and X Ray Rooms, Marley Premier Wood Plank to Relatives Rooms and Marley Safetred Universal to Toilets, Bathrooms and Shower Rooms. Over 5000 In mtrs of Gradus Set in Skirting was fitted throughout.

The original contract period to complete the flooring works were 4 months, however, due to on site delays we were given less than 2 months to complete. With hard work and 100% dedication from our staff we achieved completion on time.
